Dear Parent/Carer

Mathematics GCSE revision guides and workbooks

The mathematics department would recommend purchasing both the revision guide and the workbook, as the workbook provides plenty of extra topic-based practice GCSE questions. As a school, we can get them at a discounted price of £2.50 each (£5.00 for both).

If you are interested in purchasing these, please pay either via the school's online payment system, by cash/cheque (made payable to The Castle School) or by credit/debit card (either in person or over the phone).

Yours sincerely

P Feehan
