### It's more than a job. It's inspired work.

For the first time we are holding an Apprentice Open Evening in our Yeovil office.

At **Yeovil** we offer a Level 6 Honours Degree Apprenticeship in Aerospace **Software** Development within the BAE Systems Military Air and Information Business Unit.

Information will also be available on the other Military Air and Information apprenticeships which are on offer elsewhere in the UK, primarily at our North West sites at Warton and Samlesbury in Lancashire. These include

- Advanced Level: Engineering Craft and Technician (Level 3)
- Advanced Level: Business Administration (Level 3)
- Higher Level: Aircraft Maintenance Certifying Engineer (Level 4)
- Degree Level: Project Management (Level 6)
- Degree Level: Aerospace Engineering (Level 6)
- Degree Level: Aerospace Software Development (Level 6)

If you are looking for an exciting career, working on one of our iconic Military Aircraft, such as Typhoon or on solving the complex problems in managing Defence Information then BAE Systems could be for you.

We invite you and your students to join us at one of the dates listed below to hear more about our apprenticeship schemes.
