

Dear Parent/Carer

12 September 2017

Year 10 GCSE Food Preparation and Nutrition

To help students in class, with homework and preparation for their exams I would like all students to purchase a Revision Guide for Food Preparation and Nutrition. This is an excellent book, full of resources and at only £2.75 (cash only please) represents good value. It will be used in class, for homework, coursework and for their exams. Students can purchase directly from Student Reception and will be expected to bring them to lessons from now onwards.

Students will have end of unit tests during Year 10, for which the revision guide will be vital. Additionally, there will be a mock exam towards the end of Year 10.

If there are any problems, or you need any further details, please do not hesitate to contact me.

Yours sincerely

Miss J Beale

Food, Preparation and Nutrition

Please return this slip to Student Reception at The Castle School

Name of student Form

I wish to purchase the **Food Preparation and Nutrition** Revision Guide at £2.75
