Dear Parent/Carer

I am writing to let you know about support time we are providing over the Easter holiday to help GCSE Fine Art and Textiles students prepare for their final exam.

We are now in the last phase of preparing for the Fine Art and Textiles exams; students have been working in class and in homework time since Christmas on their projects, and will be creating their final pieces on their exam day during the first week after Easter:

Class Exam Day:

At the start of the exam students must hand in their planning and preparation work, and this cannot then be added to once the exam has started – preparation work forms a significant element of the grade for this project, worth in total 40% of the GCSE.

Over the Easter holiday we will be holding 2 support days to give students a last chance to get help with preparing for their exam; I'd encourage students to consider attending at least one of the days and ask that the slip below is completed and returned to me by Wednesday 21 March to allow me to prepare resources for the day.

With thanks
